This expression of Opinion is valid for a period of **two years** from the date of this letter and for as long as the situation at the plant at physical address mentioned above remains as inspected or gets better than it was at the time of inspection.

Please be aware that the GMP inspection is only part of the Prequalification process of the National Drug Service Organization. Your company still has to:

- (a) Fill and submit the Pre-qualification Tool.
- (b) Fill and submit the Product(s) Information for the Products that your company wishes to have them approved by the National Drug Service Organization.
- (c) Submit the samples for each of the products that the Products Information has been filled as in (b) above.

When the information required in (a) to (c) above has been submitted, analyzed and approved by the National Drug Service Organization, the approval letter of the specific products shall be issued in respect of those products and that shall enable your company to participate in NDSO Procurement activities with regard to those products.

Thank you very much for participating at NDSO Prequalification processes and let this be the beginning or the continuation of the good business between your company and the National Drug Service Organization.

Yours Sincerely

Matebele Sefali (Mr.)

Dear Sir,

Re: Final Opinion Regarding the GMP Inspection of the 21st & 22nd May 2018

The National Drug Service Organization (NDSO) carried out the GMP inspection at your Pharmaceutical Manufacturing Facility at the physical Address:

Meldi Estate, Near Prassang Party Plot, Opp Soo Bhagwat Sayona City Road, Gota Ahmedabad-382 481

The GMP inspection was carried out using the NDSO Customized WHO GMP inspection checklist on the dates:

21st and 22nd May 2018.

Following the discussions that were carried out during the inspection, the physical inspection of your plant and your responses to the compliance queries that were raised during and after the inspection, NDSO is satisfied of the Pharmaceutical Manufacturing operations of your plant at the physical address mentioned above in terms of the NDSO Customized WHO GMP inspection Check list.
